

August 14, 2007

Ravalli County Commissioners 215 S. 4th Street, Ste. A Hamilton, MT 59840

Dear Commissioners,

RECEIVED

AUG 16 2007

We would request you consider appointing Greg Chilcott as your voting member representative to the Missoula Transportation Policy Coordinating Committee (TPCC). Our reasons for making this request are Greg's broad knowledge of and participation on the following transportation projects:

- · Five Valley Corridor Study
- Highway 93 Florence to Reserve Street Transportation Study
- Familiarity with all the Transportation Demand Management organizations serving Ravalli and Missoula counties.

We have found Greg to be a wonderful resource in our efforts to coordinate transportation between our two counties.

We would also ask that if Greg is appointed, he agree to serve in this capacity. If you would like to discuss this further, please feel free to contact me.

Sincerely

Ken Willett, Chair
